

SECRET

September 26, 1945

at Garmisch
SUBJECT: Hans Wilhelm KROHN

DOB 1913

ECCL, MILLE, MILLET, PDB Bremen, Germany
aka. Paul MILLER

1. Hans Wilhelm KROHN is 32 years old, tall with an athletic build. His hair is black, his eyes brown. He has an oval face and is always shaven. KROHN's manner is pleasant, his voice soft. His mother, *MILLET*, he is the son of a well-to-do Bremen family, who were in the textile industry. At his university KROHN was a member of a dueling fraternity.

2. As a Marxist in Am VI, KROHN is considered a 'dangerous and intelligent' man with 'unbelievable' contacts in the Wehrmacht, the SA, the various police units, and the Nazi Party, albeit he is not known to be a party member. KROHN was a personal friend of KROHN, he worked in an auto-tyre of SCHLIER. KROHN's Berlin office and shared SCHLIER's private living quarters. He was a close friend of *SCHLIER*, who also lived with SCHLIER. KROHN is believed to have used several aliases: *KROHN, MILLE, MILLET, and Paul MILLER*.

3. SCHLIER reports that KROHN was his principal agent in Switzerland — our evidence tends to verify this. KROHN often came to Switzerland under cover of a delivery agent for wooden barracks. One of his missions under this cover, involved his offering large stocks of industrial machines to Switzerland. These machines could not be taken into the Reich and were being sold to build Nazi credits abroad. KROHN is believed to have had a permanent visa for Switzerland.

4. Subject is known to have been in contact with Col. *ROSE*, chief of the Swiss Intelligence Service, who is now under investigation by the Swiss; *Paul MILLER*, a Swiss, believed to be a captain in the Swiss Intelligence Service; Dr. *Paul MILLER*, whom *Paul* was in *Switzerland*, and who is also a Swiss Intelligence officer. KROHN is known to have been in contact with *Hans MILLER*, SA chief for Switzerland. Subject is described, in the report, as being a liaison between KROHN and certain German and Swiss agents active in the Swiss political sphere.

5. Enclosed with this report are copies of pertinent excerpts from the KROHN and SCHLIER interrogation reports.
